# Introduction

A travel itinerary app that helps users plan and organize trips by tracking destinations, activities, accommodations, and flights on one convenient platform. This app will help frequent travelers, families, and business professionals simplify their travel planning, reduce stress, and stay organized during trips.

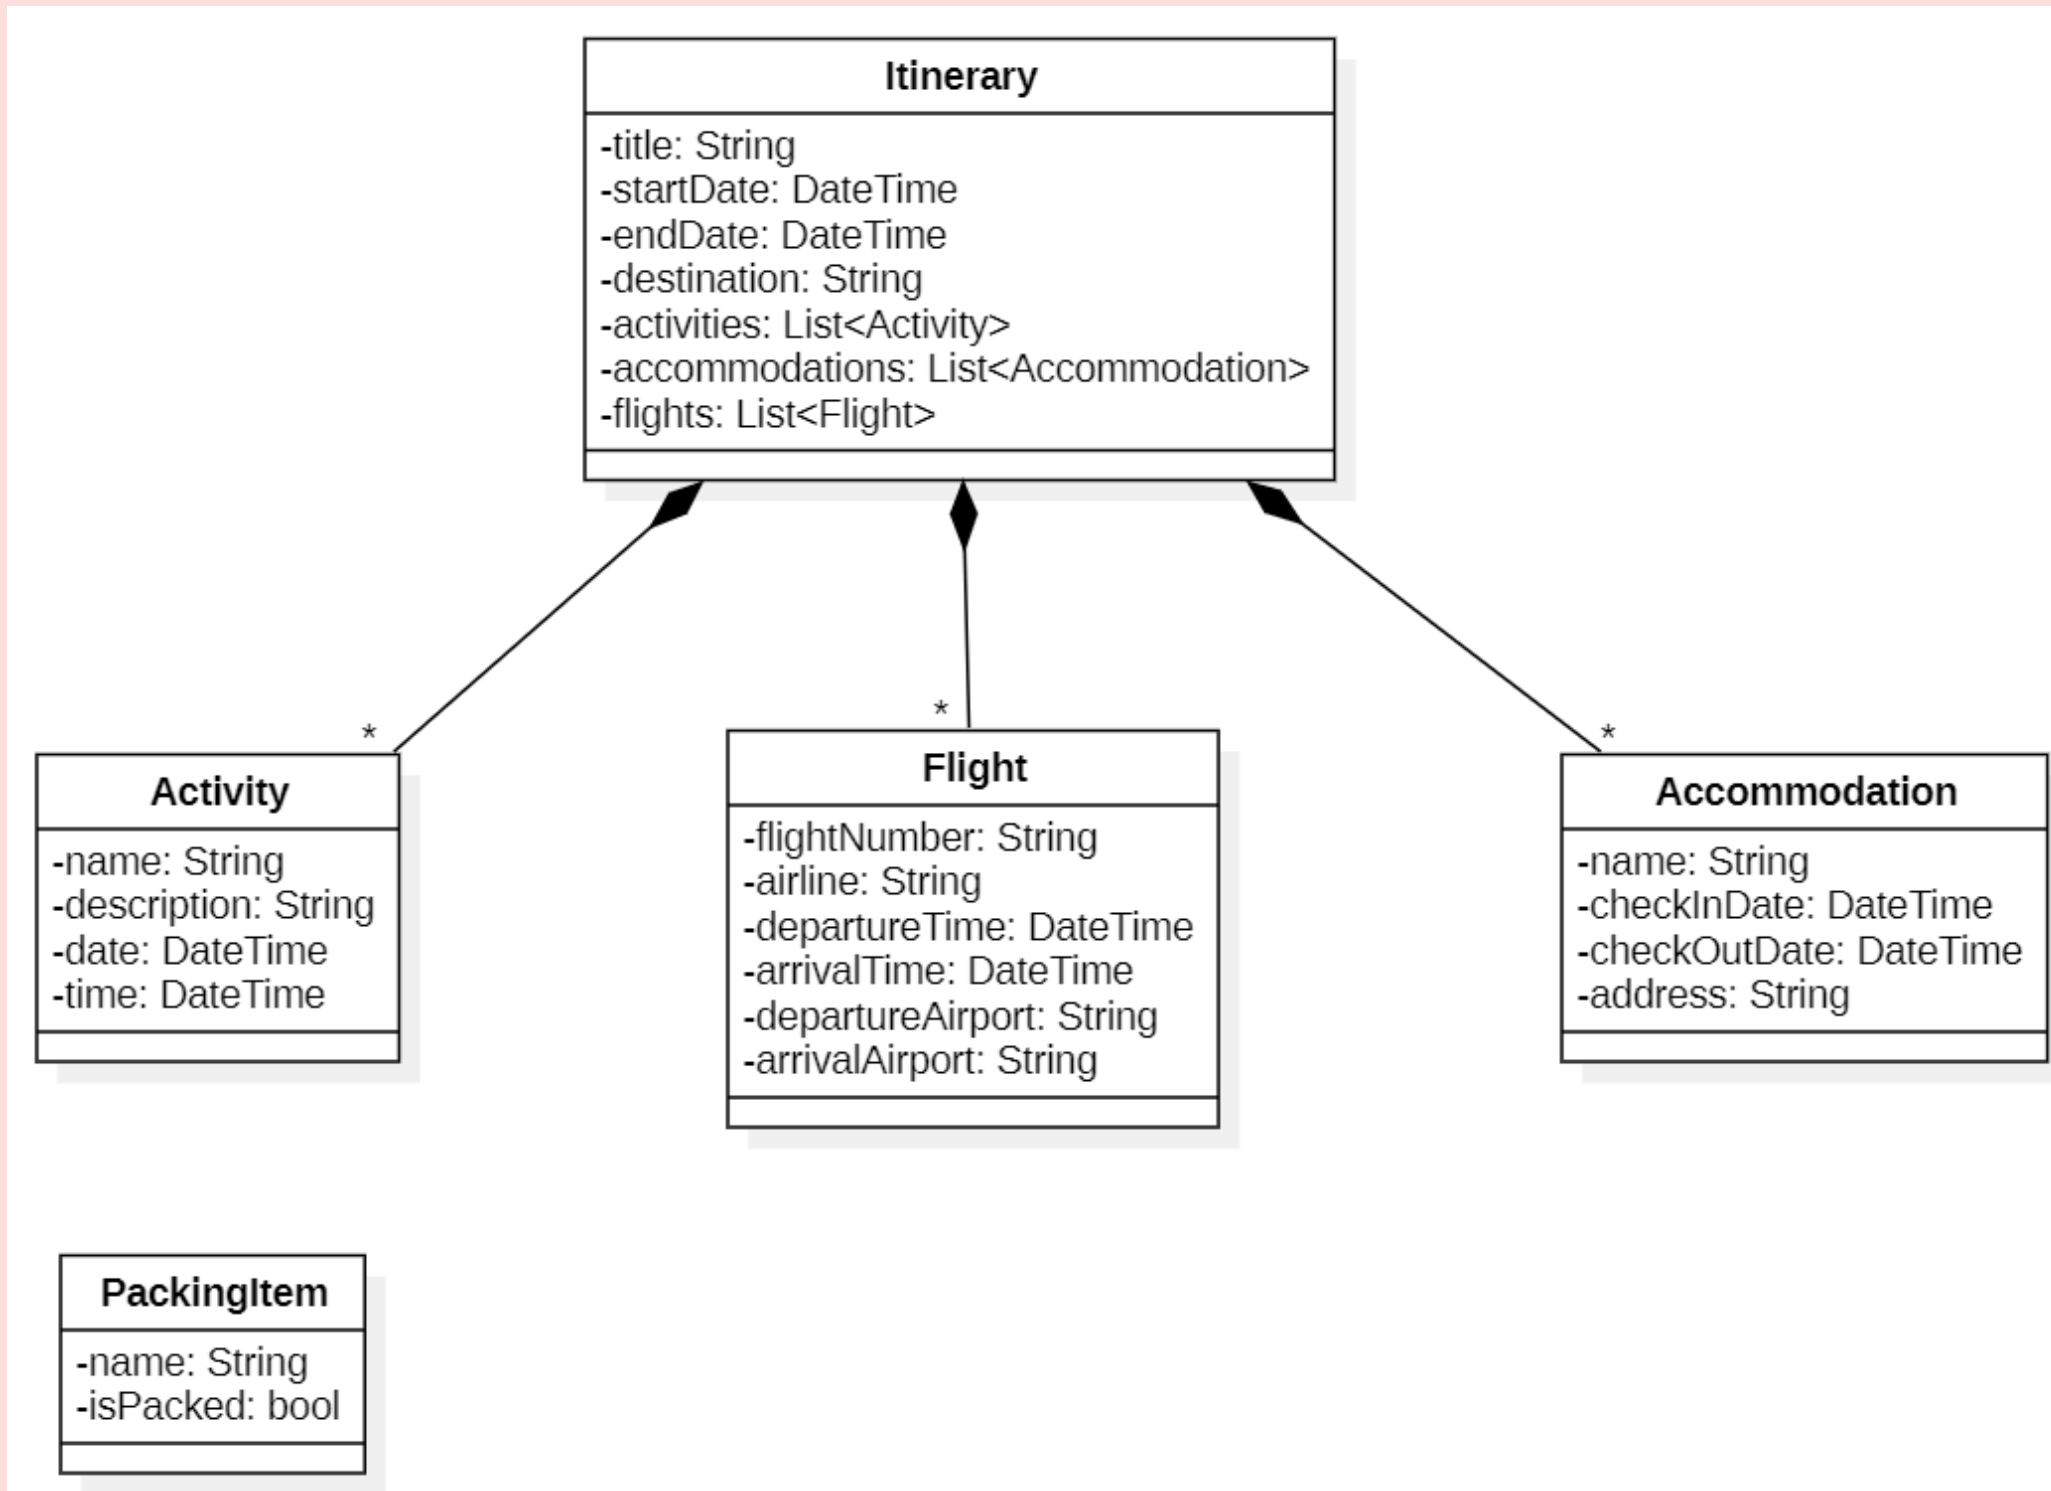

# App Features

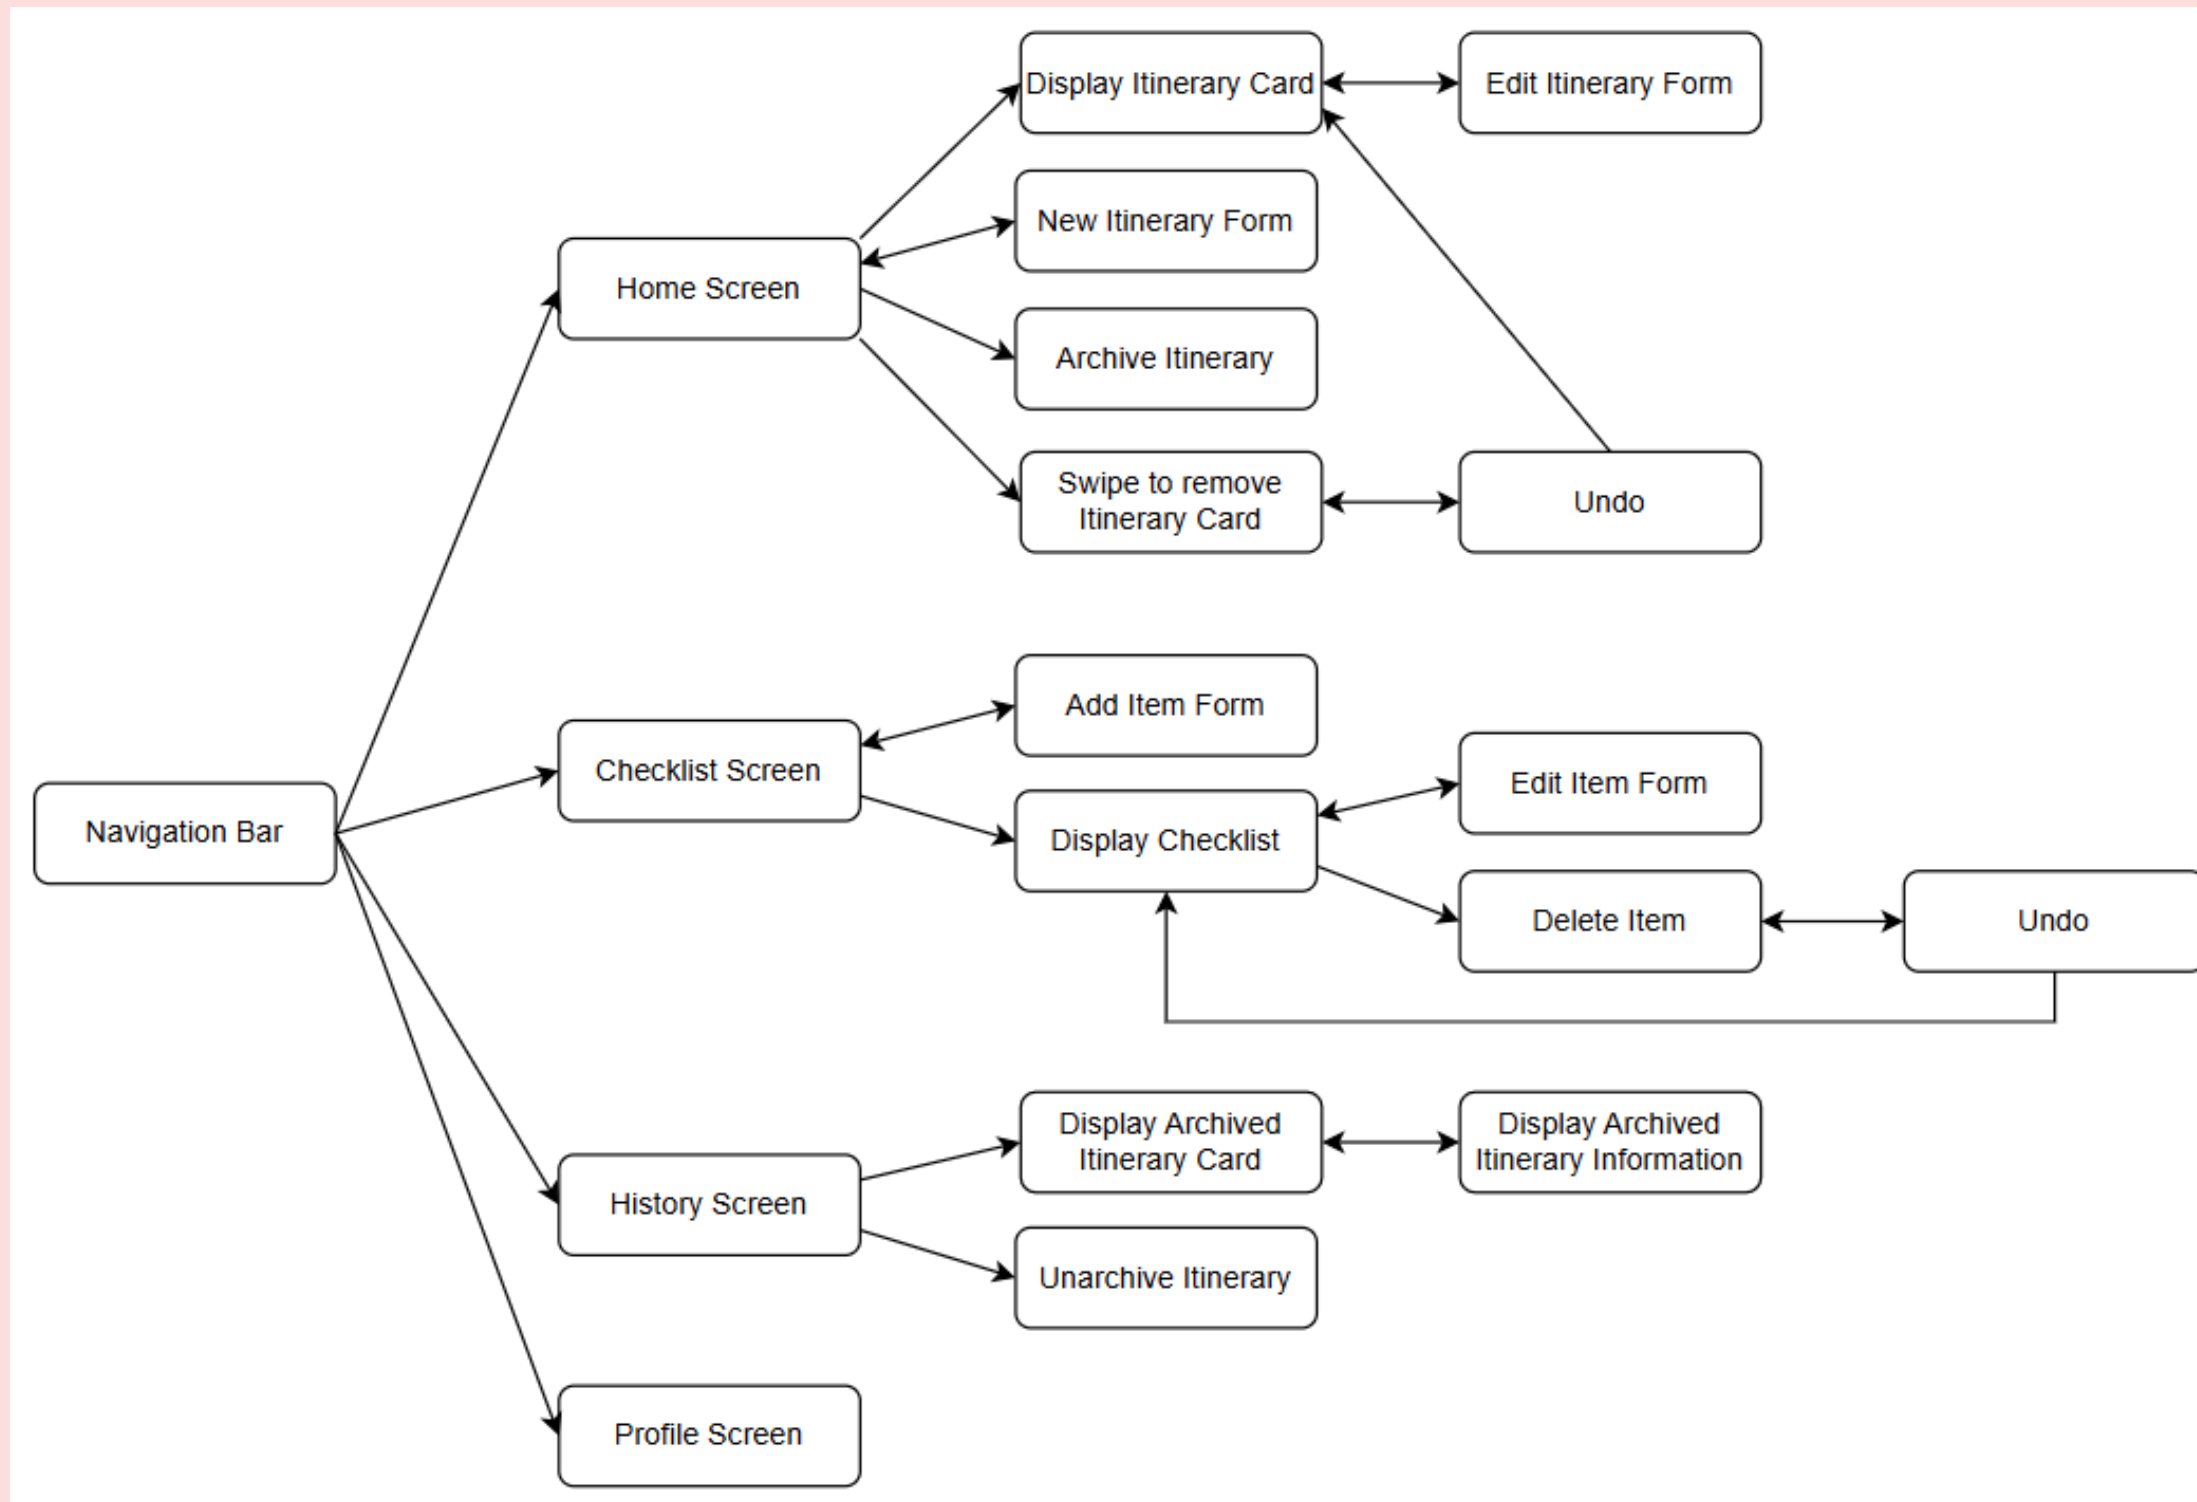

1. Add/Edit/Delete/Archive Itineraries
2. Accommodation Tracker
3. Activity Planner
4. Flight Details
5. View Archived Itineraries
6. Add/Edit/Delete Checklist

The background is a light pink color. It features several decorative elements: a large rounded rectangle with a slightly darker pink border, a smaller rounded rectangle in the top right corner, and several sets of wavy, overlapping lines in shades of pink and magenta, primarily located in the top right and bottom left corners.
